

JJ's Vendor Mall 's Accessibility Statement

JJ's Vendor Mall is dedicated to ensuring our website is accessible to as many visitors as possible regardless of their ability or technology. We have an active commitment to increasing our site's website accessibility.

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. JJ's VendorMall is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities.

We welcome suggestions and ideas to make our site more accessible for all users. Or if you are having difficulty accessing our site, please reach out.
